

Attention MADSIF Members

MIOSHA IS CRACKING DOWN

They've added *many* inspectors, quickly increasing activity and fines. Some MADSIF members have seen fines of \$8,000, \$10,000, \$11,000 for being out of compliance.

How do I Know If I'm in Compliance?

CRS conducts your annual inspection. Their report specifically defines *Recommendations & Action Items*. It is emailed to your dealer & safety coordinator.

Where Can I Get My Most Recent Inspection Report? Check with your internal safety team or call CRS (information below)

How can I be prepared for a MIOSHA inspection?

CRS has an effective training tool to prep for a MIOSHA inspection.

How much will getting into compliance cost?

Most of these services are free of charge to MADSIF members! In fact, if you are in compliance, you receive a 5% discount.
