Claims: Timely Injury Reporting

We are seeing delays in claims reporting to CRS, that's on us to help you! With the goal of keeping claims costs to a minimum, let CRS know immediately. This will have significant impact on the outcome and allow us to steer your employee in the right direction for better treatment and fewer lost days. Reach out for handouts or posters to help with communication in the dealership. File your claim via: MADSIF.com | 800-737-9875 | newclaimreporting@crsmi.com

Eye Injury; A reminder for Eye Protection

Eye injuries are typical with dealerships, as with this recent example of a member, which resulted in two surgeries, foreign body removal and reconstruction with medical costs set at \$75,000, thus far. MADSIF is prepared to handle claims of this nature.

As a result, we are rolling out an eye protection program for MADSIF.
Stay tuned and reach out to CRS for advisement on getting yours in place.
